KEVIN BIGELOW, M.D. DESIDERIO AVILA JR. , M.D.

### **DISCLAIMER**

ATTENTION PATIENTS BE SEEN FOR TREATMENT OF INFERTILITY, SEXUAL  
DYSFUNCTION (ED) OR VASECTOMY

Just because you have a referral from another doctor does not mean that your insurance company will pay for a specialist visit for the above diagnoses. These diagnoses are not covered by all insurances or may only be partially covered. It is your responsibility to check with your insurance and/or employer to verify insurance coverage for these specific diagnoses.

If you are seeing the doctor for one of these diagnoses and your insurance denies the claim as a non-covered benefit, you will be billed the full fee for the visit. However, if you let us know in advance that your insurance company will not cover the diagnoses, we will apply a 20% cash discount off the insurance charge when you pay at the time of service.
